

La Cie de l'Etoile
présente

An illustration of the Three Kings journeying at night. In the background, a bright yellow star shines in a dark purple sky filled with smaller white stars. Below the star, three figures are silhouetted against a blue and purple landscape: one walking with a staff, one pushing a cart, and one riding a donkey. To the right, a simple wooden stable with two glowing yellow windows is visible.

RENDEZ-VOUS SOUS L'ÉTOILE

Samedi 10 décembre

Salle de la Rive Mont-Roland à 17h00
